# Get The OER® Advantage... It's Almost Unfair!

Authentic Quality Reproduction Parts for Classic American Muscle

**ORIGINAL QUALITY • ORIGINAL APPEARANCE**

## Original Fit

Appearance is extremely important in reproduction parts, but just as important is the way the part fits. You will appreciate OER® reproductions. Parts are designed to fit as closely to the original as possible. Each part is checked and rechecked to ensure proper fit and function.

## Superior Quality

It's one thing to manufacture a reproduction part, it's another to duplicate the quality. OER® uses the finest quality materials and workmanship to ensure the finished part meets or exceeds original equipment specifications. In fact, many OER® products are superior to the original.

## Authentic Appearance

Each OER® part is manufactured to original specifications, down to the smallest detail. Consistent quality control methods ensure an exact duplicate every time.

## OER® Officially Licensed Products

Many OER® products are officially licensed by the original manufacturers, assuring the highest quality reproductions available.

**OER** ORIGINAL  
EQUIPMENT  
REPRODUCTION

Manufacturing Authentic Products for The Restoration Industry

Learn more about OER online: [www.oerparts.com](http://www.oerparts.com)

Look for the OER® symbol of quality throughout this catalog.

# Classic Industries® Has More To Offer!

## Service Excellence From the Restoration Leaders!

### Price Match Guarantee

*If You Find a Product for Less, We'll Match the Price!*

Classic Industries® will match any competitor's current advertised retail price for an identical product. Simply send us a copy of the competitor's current advertised price from a catalog, advertisement or website (with URL) and we'll match the price. The price match guarantee is available at the time the order is placed and for in-stock merchandise only. Price matching will be determined by a competitor's most current retail published price and is limited to competitors within the Restoration Industry.

### Money Back Guarantee

*100% Satisfaction or Your Money Back!*

We take pride in the quality of the products we offer and back it up with a 100% Money Back Guarantee. If for any reason you are not satisfied with a product or purchase, you can return the product within 30 days of receipt for a full refund, credit or exchange.

### Online Instructional Videos

*Visit ClassicIndustries.tv to View Our Online Video Library*

Need a little guidance to help you install the restoration parts you purchased? Then cruise over to Classic Industries®' new video media website, [www.classicindustries.tv](http://www.classicindustries.tv) where you can watch a library of how-to videos created by our own expert staff, guiding you through the installation processes for upholstery, headliners and more.

### Technical Support

*Call 1-800-854-1280, extension 5390 for more information*

Our tech representatives are ready to help you with all your restoration questions regarding parts or accessories, but we don't stop there, we can help answer questions you may have concerning the detailed areas of your restoration! Our tech representatives consist of some of the most knowledgeable restoration experts in the business. We don't claim to have all the answers but we've been doing it longer than anyone. Chances are we've heard the questions you need answered before. If nothing else, we can probably steer you in the right direction. We continually train our staff in all aspects of early and late model restoration and pass the information along to you!

### California Residents — Prop 65

Prop 65 requires businesses that manufacture and/or sell products in the State of California to inform consumers which items contain chemicals known to cause cancer and/or reproductive harm.

### Earn Rewards!

## Symbols of Quality

### OER® Original Equipment Reproduction

The leader in quality reproductions is here! OER® stands for Original Equipment Reproduction®. When you see the OER® logo, you can be assured that every part is manufactured to exact factory specifications and will fit and function just like the original part. What's more, many OER® products are officially licensed and carry a full one year warranty against defects and workmanship.

### OER® Authorized Products

The OER® Authorized logo represents products that meet or exceed stringent OER® quality control standards. These items have been sanctioned and approved by OER®. Most of these products are prepackaged with the OER® Authorized logo.

### OER® Premier

Count on the OER® Premier logo to denote parts that are outstanding in fit, craftsmanship, and manufacturing techniques. Each and every product displaying the Premier symbol is the best the market has to offer, and a cut above the competition. Order with confidence when you see this symbol, as OER® Premier is the true sign of originality and quality.

### Classic Industries® The Restorer's Choice™

Count on the Classic Industries® Restorer's Choice™ symbol whenever purchasing reproduction parts and accessories. You can be sure that each and every product displaying this symbol is manufactured correctly to exact specifications and fits the way the factory intended. This Classic Industries® symbol is your assurance of quality.

### Made in USA

Classic Industries is proud to offer American products for your American classic. Wherever you see this MADE IN USA symbol, you know you're receiving the highest quality parts, sourced from the skilled craftsmen of the United States of America.

## PRODUCT EMISSIONS GUIDE

Please visit [help.classicindustries.com/en/emissions-compliance-guide](http://help.classicindustries.com/en/emissions-compliance-guide) for more details.

1

**CARB EO Compliant (50 States) – This product is covered under a CARB EO and is legal for sale and use in all 50 states.**

*Products that have completed the CARB EO process belong in this category. EPA recognizes the CARB EO as a reasonable basis demonstration, therefore products can be considered legal by both CARB and EPA.*

2

**Legal In U.S. (Excludes California) – This product is covered under the Emissions certification or has otherwise met the requirements of the EPA's Tampering Policy and is legal for sale in states that do not mandate Executive Order (EO).**

*Products that have demonstrated a reasonable-basis emissions compliance either through engineering evaluation or testing, but do NOT have a CARB EO. For example: Testing has been completed and paperwork submitted to CARB but the EO has not yet been issued. The product meets the reasonable basis standard but may not meet CARB's criteria for an EO. Testing has been performed but decided not pursue a CARB EO.*

3

**Non-CARB Compliant – This product is not legal for street use on an emissions-controlled vehicle. It may be used on a dedicated competition or pre-pollution-controlled vehicles only.**

*Some products can never be legal for use on pollution-controlled vehicles (both for use on the road and off-road), but they do have legitimate use on racing vehicles and vehicles that predate emissions regulations. Pre-certification means: 1965 and older domestic vehicles in California, 1968 imports in California and both domestic and imports under EPA jurisdiction.*

4

**Non-Emissions – This product does not require an EO in California. By nature of its design, it is legal for sale and use in all 50 states. Replacement parts included.**

*Products that have little or no impact on emissions, such as drop-in air filters or exhaust components downstream of the last emissions component (such as the catalytic converter, DPF, or exhaust gas sensors). Also included are devices that plug into the OBD port to monitor information, but do not alter the vehicle's electronics.*

## Car Cover Accessories

Protect your car cover with a storage bag, lock and cable kit, or antenna grommet designed to fit almost any car and truck cover. A storage bag will help to keep your cover clean and safe when not in use. A lock kit will prevent theft of your cover while in use. An antenna grommet will allow the cover to fit better over a fender or quarter panel mounted antenna, and will prevent the unintentional spread of the antenna hole.

- ★ **Indoor/Outdoor Use**
- ★ **Silver Reflective Material**
- ★ **Double Layer Soft Cotton Inner Lining**

OER's premium Titanium Plus material offers double the protection of the standard Titanium material! Engineered specifically to provide the best protection from the sun. Designed for both indoor or outdoor use, features a reflective and water repellent top layer that helps keep the interior cooler in sunlight and protects against harmful UV rays. In addition, this premium cover adds a soft padded cotton inner layer that provides extra protection against nicks and dings when your vehicle is parked in tight spaces. Each cover is sewn with double stitched seams for strength and Neoprene elastic is sewn into the front and rear hems to help secure the cover. Titanium covers offer the ultimate in UV protection. Covers feature non-scratch grommets installed onto each side to allow the use of a tie strap or lock.

## Gust Guard™ Cover Clamps

The Gust Guard™ is the easy solution for keeping your car cover in place in windy conditions! If you need to leave your vehicle covered for extended periods of time (airport, vacation, etc.) in locations where wind gust could be a problem, this set is the answer. Includes: four adjustable hem clamps, two "Quick Grip" friction locks and two 7' long white cords. These components clamp to the hem in front of the front tires and behind the rear tires. When wind gets under the car cover, the Gust Guard™ helps reduce the possibility of the cover coming loose.
