Classic Industries® Has More To Offer!

**Service Excellence
From the Restoration Leaders!**

Price Match Guarantee

If You Find a Product for Less, We'll Match the Price!

Classic Industries® will match any competitor's current advertised retail price for an identical product. Simply send us a copy of the competitor's current advertised price from a catalog, advertisement or website (with URL) and we'll match the price. The price match guarantee is available at the time the order is placed and for in-stock merchandise only. Price matching will be determined by a competitor's most current retail published price and is limited to competitors within the Restoration Industry.

Money Back Guarantee

100% Satisfaction or Your Money Back!

We take pride in the quality of the products we offer and back it up with a 100% Money Back Guarantee. If for any reason you are not satisfied with a product or purchase, you can return the product within 30 days of receipt for a full refund, credit, or exchange.

Online Instructional Videos

Visit ClassicIndustries.tv to View Our Online Video Library

Need a little guidance to help you install the restoration parts you purchased? Then cruise over to Classic Industries® new video media website, www.classicindustries.tv where you can watch a library of how-to videos created by our own expert staff, guiding you through the installation processes for upholstery, headliners, and more.

Technical Support

Call 1-800-854-1280, extension 5390 for more information

Our tech representatives are ready to help you with all your restoration questions regarding parts or accessories, but we don't stop there, we can help answer questions you may have concerning the detailed areas of your restoration! Our tech representatives consist of some of the most knowledgeable restoration experts in the business. We don't claim to have all the answers but we've been doing it longer than anyone. Chances are we've heard the questions you need answered before. If nothing else, we can probably steer you in the right direction. We continually train our staff in all aspects of early and late model restoration and pass the information along to you!

California Residents — Prop 65

Prop 65 requires businesses that manufacture and/or sell products in the State of California to inform consumers which items contain chemicals known to cause cancer and/or reproductive harm.

Symbols of Quality

OER® Original Equipment Reproduction

The leader in quality reproductions is here! OER® stands for Original Equipment Reproduction®. When you see the OER® logo, you can be assured that every part is manufactured to exact factory specifications and will fit and function just like the original part. What's more, many OER® products are officially licensed and carry a full one year warranty against defects and workmanship.

OER® Authorized Products

The OER® Authorized logo represents products that meet or exceed stringent OER® quality control standards. These items have been sanctioned and approved by OER®. Most of these products are prepackaged with the OER® Authorized logo.

OER® Premier

Count on the OER® Premier logo to denote parts that are outstanding in fit, craftsmanship, and manufacturing techniques. Each and every product displaying the Premier symbol is the best the market has to offer, and a cut above the competition. Order with confidence when you see this symbol, as OER® Premier is the true sign of originality and quality.

The GM Restoration Parts Emblem

It's the true sign of originality and quality. You can be sure that every product you receive will look and fit exactly as the original did. Parts that display this emblem are Officially Licensed by General Motors as a genuine restoration product. Classic Industries® is currently licensed for many of the products listed in this catalog. The same products we've been manufacturing for years. We haven't changed our methods or quality and the GM Restoration Parts emblem is proof. The GM Restoration Parts emblem is a registered trademark of General Motors and used under license to Classic Industries® Inc.

Classic Industries® The Restorer's Choice™

Count on the Classic Industries® Restorer's Choice™ symbol whenever purchasing reproduction parts and accessories. You can be sure that each and every product displaying this symbol is manufactured correctly to exact specifications and fits the way the factory intended. This Classic Industries® symbol is your assurance of quality.

Made in USA

Classic Industries is proud to offer American products for your American classic. Wherever you see this MADE IN USA symbol, you know you're receiving the highest quality parts, sourced from the skilled craftsmen of the United States of America.

PRODUCT EMISSIONS GUIDE

50-State Legal: These products currently have a California Air Resource Board (C.A.R.B.) Executive Order (O.E.) number. They meet the emission standard for use on pollution controlled vehicles in all of the 50 United States for the vehicles listed on the E.O.

For Racing Use Only: These products are intended to be used on vehicles that are exclusively designated for racing use only. They are not legal for use on vehicles that are registered for street use.

For Use On Pre-Pollution Controlled Vehicles (PPCV): These products are legal for use on pre-pollution controlled vehicles. They can be used on all vehicles that were manufactured before emissions control regulations were imposed. These are considered "uncontrolled vehicles".

1965 and older U.S. manufactured California Certified vehicles
1967 and older U.S. manufactured Federally Certified vehicles
1967 and older Foreign manufactured vehicles

Stock Replacement Part: These products are manufactured to exact specifications of the Original Equipment (OE) part. They must be used on the specific year, make, and model for which it is listed.

Engine Swaps: These products are intended to be used with engines that have been transplanted or swapped into an uncontrolled or pre-pollution controlled vehicle, as defined above. They are not legal for use on pollution controlled vehicles.

The Economical Way to Protect Your Investment!

Diamond Blue™

- ★ Indoor Use
- ★ Single Layer Material

Designed for indoor use, OER's Diamond blue covers are manufactured using an economical single layer non-woven material that offers excellent protection from dust and dirt penetration. Each cover is sewn with double stitched seams to add strength and durability to the cover and Neoprene elastic is sewn into the front and rear hems to help secure the cover. Breathable and lightweight, Diamond Blue offers basic protection from water and guards against damage from dust, dirt, overspray and similar environmental elements. Mirror pockets are featured on both sides of the cover when applicable, for vehicle originally equipped with dual sport mirrors. Covers feature non-scratch grommets installed onto each side of the cover to allow the use of a tie strap or lock.

Diamond Fleece™

- ★ Indoor/Outdoor Use
- ★ Triple Layer Material

Designed for indoor and occasional outdoor use, OER's Diamond Fleece cover is manufactured using a durable 3 layer non-woven material that provides excellent protection from dust and dirt penetration. Each cover is sewn with double stitched seams to add strength and durability to the cover and Neoprene elastic is sewn into the front and rear hems to help secure the cover. Breathable and lightweight, Diamond Fleece offers water resistance and prevents damage caused by the sun's UV rays. Mirror pockets are featured on both sides of the cover when applicable, for vehicle originally equipped with dual sport mirrors. Covers feature non-scratch grommets installed onto each side of the cover to allow the use of a tie strap or lock.

OER AUTHORIZED Nova Car Covers**FREE**Look Kit and Storage Bag
With Car Cover Purchase!
A \$20.00 Value!*The Ultimate in Outdoor Protection for Your Vehicle***Gust Guard™ Cover Clamps**

The Gust Guard™ is the easy solution for keeping your car cover in place in windy conditions! If you need to leave your vehicle covered for extended periods of time (airport, vacation, etc.) in locations where wind gust could be a problem, this set is the answer. Includes: four adjustable hem clamps, two "Quick Grip" friction locks and two 7' long white cords. These components clamp to the hem in front of the front tires and behind the rear tires. When wind gets under the car cover, the Gust Guard™ helps reduce the possibility of the cover coming loose.

cotton flannel

Cotton flannel car covers pamper the vehicle's finish with a soft nap underside

GR

TN

- ★ Indoor Use
- ★ Cotton Flannel Material
- ★ Soft Nap Underside

Favored by classic car collectors that garage their vehicles, OER's SoftShield cotton flannel car covers pamper the vehicle's finish with a soft nap underside that protects even the most delicate surfaces. Designed exclusively for indoor use, the SoftShield cover is soft on paint while providing a barrier against dust and protection against nicks and dings while the vehicle is being stored. Each cover is sewn with double stitched seams to add strength and durability to the cover and Neoprene elastic is sewn into the front and rear hems to help secure the cover. Mirror pockets are featured on both sides of the cover when applicable, for vehicle originally equipped with dual sport mirrors. Covers feature non-scratch grommets installed onto each side of the cover to allow the use of a tie strap or lock. Your choice of gray or tan flannel.

Note: Please add 2 digit color code when ordering.

Lightweight highly reflective material for added protection from harmful UV rays

- ★ Indoor/Outdoor Use
- ★ Silver Reflective Material
- ★ Single Layer Extremely Lightweight

This durable, lightweight fabric is engineered specifically to provide the best protection from the sun. Designed for both indoor or outdoor use, OER's Titanium material features a special 100% polyester reflective and water repellent top layer that helps keep the interior cooler in sunlight and protects against harmful UV rays. Each cover is sewn with double stitched seams to add strength and durability to the cover and Neoprene elastic is sewn into the front and rear hems to help secure the cover. With their specially engineered reflective properties, Titanium covers offer the ultimate in UV protection in a lightweight material that's easy to handle and store. Mirror pockets are featured on both sides of the cover when applicable, for vehicle originally equipped with dual sport mirrors. Covers feature non-scratch grommets installed onto each side of the cover to allow the use of a tie strap or lock.

MT2763K 1968-79 coupe and sedan 99.99 ea

Plus soft cotton lining for protection against door dings and scratches.

- ★ Indoor/Outdoor Use
- ★ Silver Reflective Material
- ★ Double Layer Soft Cotton Inner Lining

OER's premium Titanium Plus material offers double the protection of the standard Titanium material! Engineered specifically to provide the best protection from the sun. Designed for both indoor or outdoor use, features a reflective and water repellent top layer that helps keep the interior cooler in sunlight and protects against harmful UV rays. In addition, this premium cover adds a soft padded cotton inner layer that provides extra protection against nicks and dings when your vehicle is parked in tight spaces. Each cover is sewn with double stitched seams for strength and Neoprene elastic is sewn into the front and rear hems to help secure the cover. Titanium covers offer the ultimate in UV protection. Mirror pockets are featured on both sides of the cover when applicable, for vehicle originally equipped with dual sport mirrors. Covers feature non-scratch grommets installed onto each side to allow the use of a tie strap or lock.
