# You No Longer Have To:

- Pav excessive fees to protect your merchandise
- Contact the carrier yourself
- 🗶 File a damage claim yourself to have the carrier inspect the damaged items
- **X** Send the damaged items back at your expense

With Classic Industries $^{ exttt{@}}$  the worry is eliminated!

# RE FOR RETURNING SHIPPING DAMAGES

We handle the claim so you don't have to! If any part you receive is damaged during shipping and handling, simply contact our customer service department toll-free at 800.854.1280 within two business days.

After verifying the damage, Classic Industries will issue a pickup call tag through the carrier that shipped the products. The carrier will pickup the damaged goods from your address and return them to us at no expense to you. After the product has been inspected, our customer service department will send a replacement part.

In order to ensure replacement of damaged products, please return items in their original box and packaging. Failure to do so may result in the claim being denied. Someone must be available at the pickup address to supply the damaged products when the carrier arrives. If the carrier in unable to pickup the products for any reason, the customer may be required to return the products at their expense.

Note: Some products are excluded from damage call tag pickup. Call a customer service representative for information about products that are not eligible.

# Price Match Guarantee

# If you find it for less we'll match the price!

Classic Industries\* will much any competitors current advertised price for anielnfeat product. Simply sendus accyop of the competitor's current advertised price from a catalog, advertisement or website (with URL) and well match the price. The price match guarantee is available at the time the order's placed and for in-stock merchandise only. Price matching will be determined by a competitor's most current retail published price and is limited to competitors within the Restoration Industry.

Important: In an effort to provide our retail customers with the most competitive pricing available, we will match our current competitor's pricing. Price matching will be determined by a competitor's most current retail-published price and is limited to competitors within the "Restoration Industry." Performance parts and special orders are exempt from price matching policy. Classic Industries" reserves the riebt to decline price matching if pricing is deemed to be a special offer, a sale or closeout price, or a non-current price. Competitors sale pricing, inventory reductions, close outs, special promotional offers, etc. may be exempt from the "price match" guarantee. The guarantee is subject to the terms and conditions of Classic Industries" current policies.

Classic Industries\* will generally contact competitors to confirm that the published price is current due to market changes, demand or availability. Froe matching supersedes all other promotional offers and on sale pricine. If Classic Industries\* matches a price from a competitor, additional discounts on that product or products may not apply. If the standard retail price of a product is higher than the competitor's price and an applied discount reduces the price below the competitor's priceing, the now discounted or sale price will be price with the competitor's priceing, the now discounted or sale price will be price will be priceing will prevail. We reserve the right to change or revoke this offer at any time without notice. Classic Industries\* reserves the right to decline price matching.

Round Headlamps with LED Halo

RedLine LumTronix headlamps allow 50% more light to shine through thanks to their crystal clear lenses and a special side lens that extends past the retaining ring. This side lens is a true safety innovation and was designed to provide additional side light and increase visibility. Each headlamp features a Euro style diamond cut reflective base, diamond crystal glass, and a heat resistant composite housing. Even though no paint or tint is applied to the glass or reflector, the Black Illusion headlamps look blacked out when off thanks to the halo and lamp shields that are painted black. Headlamps are available with or without a halo, either single color painted black. Headlamps are available with or without a halo, either single color halo (whie) or multi-color halo (with) or multi-color halo (with) or multi-color halo (with) or multi-color halo (with) or multi-color halo (with 6 selectable color) plus the ability to adjust brightness), with or the blabs. The halo or "Angel Eyes" can also be writed as a daytime running lamp and features 28 low temp LEDs with a 100,000+ hour life, along with Tade. "Talsh", strotto— and "smooth" modes that you can choose with the included wireless remote. Headlamps plug directly into your stock harness for a simple and easy installation. Each pair includes? "houghtings, to you book on the same and the plant of the p pigtail harness adapter, and instructions. Multi-color halo sets also include the RGB harness and wireless remote.

tant: Will fit most vehicles (cars, trucks, motorcycles and motor homes) made from 1936 to 1979, as well as many vehicles made after 1979 that use a universal round style headlight. Note: Blue Halogen bulbs are blue in color when off, and bright white when on (no blue tint). Clear Halogen bulbs are clear in color when off, and bright white when on (no blue tint). Clear Halogen bulbs are clear in color when off and bright white when on.
